4 - Barretts Kent - weekend use of a Mini

BARRETTS KENT

2022 marks an exciting milestone in the Barretts history books. This year they celebrate the 120th anniversary as a family-owned and operated business. Barretts is one of the few family businesses that have been trading in Canterbury since the turn of the last century, providing unique, personal, and first-class customer service across Kent.

*With sustainable energy being a key focus, Barretts has an incredible range of **electric, hybrid, and plug-in hybrid** vehicles across the group. To support the Junior King's Summer Charity Ball this year, Barretts will be raffling four remarkable **electric, hybrid, or plug-in hybrid** vehicles to be won for an entire weekend, including a Land Rover, Jaguar, BMW, and a Mini.*
